DANGER

- Causes skin irritation
- May cause respiratory irritation
- Causes serious eye damage
- If medical advice is needed, have product container or packaging at hand

PREVENTION

- Only use outdoors or in a well-ventilated area
- Avoid inhaling fumes or dust
- Wear protective clothing – safety goggles, P2 dust mask and hard toe safety boots
- Remove and launder clothing that is soiled with HandiPatch. Thoroughly wash hands and exposed skin.

RESPONSE

IF ON SKIN: Wash with plenty of soap and water. Take off contaminated cloth and wash before reuse. If skin irritation or rash occurs, get medical advice/attention.

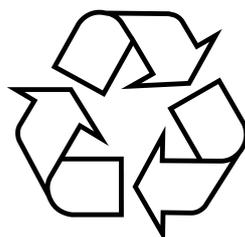

IF INHALED: Move to fresh air and keep resting in a position comfortable for breathing.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if worn and easy to do. Continue to rinse.

Immediately call the NATIONAL POISON CENTRE 0800 764 766 or doctor/physician.

GENERAL INFORMATION

Keep HandiPatch sealed until ready for use. Stack material in a secure manner to prevent falling. Packaged HandiPatch is heavy and poses such risks as sprains to the back, arms, shoulders and legs during lifting. Handle with care and use appropriate control measures.

MADE WITH RECYCLED ASPHALT
