RETAINING BLOCKS

Firth masonry retaining blocks are the perfect, low maintenance, choice for landscaping uses across New Zealand's wet climate and variable terrain. Delivering unsurpassed durability and a range that covers classic DIY projects, like fire pits, raised gardens and mowing strips, through to benches, outdoor kitchens and engineer designed MSE walls (> 0.9m high).

Ezi Wall

COLOUR BLENDS - SEE FIRTH WEBSITE OR SCAN BROCHURE QR CODE FOR DETAILS ON COLOUR BLEND OPTIONS FOR EACH PRODUCT.

Ash

Charcoal

Onyx / Black Sands

Rockface

PLEASE NOTE: Colour Blends are indicative only. Viewing a sample before purchasing is highly recommended. Similar to features of real stone, concrete masonry will have natural variations in colours and characteristics. So when choosing Firth masonry, please expect colour hue variations and regional differences due to locally sourced raw materials. It's all part of the natural beauty of our masonry products.
